

January 22, 2021

Dear Rock Springs Parents, Families, and Friends,

Rock Springs Christian Academy is pleased to announce that enrollment for the 2021-2022 school year begins January 25, 2021. God continues to bless RSCA with great students and families as there has been tremendous growth over the past several years. We are excited that interest from new families remains strong. All returning families are asked to complete the re-enrollment process, **including payment of registration fees*, no later than **February 5, 2021**, in order to reserve and secure your child's/children's seat(s). New families to the school will be allowed to apply beginning Monday, February 8, 2021. (The re-enrollment process starts by visiting www.RSCA.INFO and completing the steps provided.)

Tuition for 2021-2022 will not increase. The tuition rates will remain the same (see attached). Most parents still find our tuition exceptionally affordable and true to our mission. Each Rock Springs Christian Academy student and family also benefit from the blessings of the ministry of Rock Springs Church. The church remains committed to providing additional financial support for each student's education, and this additional money totals well over \$4,500 per student annually. We look forward to the opportunities and excitement of the next school year. We would be honored and blessed to have you and your family a part of RSCA!

Sincerely,

A handwritten signature in cursive script that reads "Bruce Reagan".
