

At RSCA our motto is that we work hard, serve Christ, grow our talents, and embrace challenges. To prepare our students to do that well, we believe getting a good start in reading is essential. Therefore, we're going to do everything we can to help you help them become excellent readers. So, we've implemented a **summer reading log** as part of the summer reading assignment.

We are not losing our favorite book, "**The Night Before Kindergarten**". But we're adding to it, "**Mother Goose's Nursery Rhymes**". The fourth week of school we'll be doing a "**show and tell**" about each child's favorite rhyme as we study Fairy Tales and Folk Tales. So, don't be afraid to repeat their favorites over the summer! There is a calendar for the month of June and July. Our goal is for you to read with your child for 15 minutes a day for 4 days (or an hour total) per week each week this summer. For each 15 minutes, color in one picture. Each child who meets this goal will be invited to participate in a reading celebration at the end of our Fairy Tales unit. (New students? No worries, you've got until the fourth week of school to complete it. 😊)

Because listening to stories develops amazing literacy skills and aptitude, we would like to encourage you to help your child take that first step into the literacy world by getting a library card. All of our local libraries have apps that allow you to both manage your child's account online and download digital and audio books *for free* on almost any device. Our libraries use the **Libby** app by Overdrive. Your librarian can help you get your online account set up and show you how to access their resources through Libby. The **Epic** app is another good source for digital books as well.

Finally, a listing of some great books and apps are also included below. Have an awesome summer reading and let us know if you find any new gems we can add to our list for next year's little eagles!

Assigned

**The Night Before
Kindergarten**

**Mother Goose's Nursery
Rhymes**

Sight Words:

We will master 220 Dolch Sight Words during the course of our school year. Practice and repetition to memorize these words makes for strong readers. Below is the Dolch list, for those who want to get a head start over the summer.

	List 1	List 2	List 3	List 4	List 5	List 6	List 7	List 8
1	the	they	do	but	from	their	walk	tell
