INSTRUCTIONS

Students will be tested on their Summer Reading in August when we return to school. There is no *written* assignment to complete over the summer.

Students **MUST** have the correct edition of the book so they can participate in class discussions and complete graded assignments. Click on the link above to purchase or use the ISBN number to obtain a used copy.

Students **MAY ALSO** purchase/borrow an Audible or other audio edition of the text. However, a printed copy is still required for class.

Bring the Summer Reading book to class on the first day of school.

What if I am in Dual Credit/Enrollment English?

Summer Reading is attached your English class.

Students who are **ONLY** enrolled in a DC/DE college English class are exempt from the summer reading requirement.

However, if a student is *also* taking ELA 11 (American Lit) or ELA 12 (British Lit) in addition to their DC/DE class, they would still be required to complete summer reading.
