

RSCA Parent Engagement Pathway

RSCA is pleased to offer an affordable Christian Education that is second to none.

COMMITMENT TO PARTNERSHIP

RSCA values the partnership with parents in the education of their children.

YES HOURS PROGRAM

Your involvement is crucial to the success of our school. Please be assured that your participation is greatly appreciated. Without Your Essential Service, many of our programs & special events would not be possible. Find more info at <https://tinyurl.com/RSCAYES>.

The Georgia Tax Credit Scholarship Program, administered by our partner, Georgia GOAL, allows you to redirect some or all of your Georgia State income tax liability to the RSCA financial aid program. Individuals, S-Corps, Corporations and Trusts can all participate. For more information, please visit <https://tinyurl.com/RSCAGaGOAL>.

TAX CREDIT PROGRAM

Obviously, the success of RSCA is not without the sacrifice of both finances and time by our families, but the eternal impact is **worth the investment**.

GREEN & GOLD FUND PARTICIPATION

We encourage **every family to participate** in giving to the Green & Gold Annual Fund Campaign and, if you can only make one gift to RSCA this year, we hope you will support this annual fund. **Every gift counts!** For more information, visit <https://tinyurl.com/RSCAGive>.
